

BREAKING FREE OF NEHRU:

LET'S UNLEASH INDIA!

In this book, Sabhlok writes energetically and with great hope for India's future. He has seen a new India in his mind's eye and wants to share that vision with us. He begins by asking us to consider why India wanted independence in the first place – namely, to achieve individual freedom. Then he asks whether India is free today. He asks why Indian governments are so corrupt and inefficient. Nehruvian socialism is his prime suspect.

By assessing a range of disparate facts, Sabhlok confirms that socialism has indeed been the bane of India. He recommends that India should break free of Nehru's legacy of socialism, even as it significantly strengthens Nehru's legacy of democracy. By implementing these policies of freedom, India's corrupt politics will be cleaned up; the

Indian bureaucracy will start working; and poverty will be eliminated. Sabhlok's analysis, supported by research, makes use of a repertoire of knowledge and experience that includes working for 25 years in governments in India and Australia.

Size: 234mm x 156mm

Pages: 304

PB ISBN: 978-81-905835-8-9

Price: 495.00

Publication Date: 20th Nov. 2008

ABOUT THE AUTHOR:

Sanjeev Sabhlok entered the Indian Administrative Service in 1982 and resigned 18 years later, as a Commissioner and Secretary to the Meghalaya Government. He received a doctorate in Economics from USA in 1999 and has worked since 2001 in the Australian public sector in regulatory policy and enforcement.
